ORDER

The slip opinion issued in the above-entitled cause on August 13, 2002 is hereby amended as follows:

On page 9, the second-to-last sentence of the first paragraph (beginning "It is Equitrac's use of the term...") should be removed and replaced with the following: "The problem here is not that Equitrac, which repairs Promatek products, used Promatek's trademark in its metatag, but that it used that trademark in a way calculated to deceive consumers into thinking that Equitrac was Promatek. *Id*."

Immediately following the sentence to be inserted above, the following footnote should be inserted: "It is not the case that trademarks can *never* appear in metatags, but that they may only do so where a legitimate use of the trademark is being made."
